Pre- and Post- Conference Tours

India is a tourist's delight. And we will custom design special packages to suit every budget. Some of our most sought after packages are:

Golden triangle

India's famous Golden Triangle covers three of the most captivating cities of the country – Delhi, Agra and Jaipur. Abundant with grand architectural buildings, and historical forts and heritage-filled palaces, these cities offer tourists a breathtaking view into India's glorious art and culture past.

Taj Mahal

Taj Mahal, one of the world's most beautiful architectural wonders, is known as the ultimate memorial to love. Since the 17th century, people have travelled from across the globe to Agra, to get a glimpse of this mausoleum which stands on the banks of the Yamuna River. Built in the memory of his favourite wife Mumtaz Mahal by Mughal Emperor Shah Jahan, the Taj Mahal is now a UNESCO World Heritage Site.

Kerala

Kerala, or 'God's Own Country' as it's popularly known, is located on the Southwestern tip of India, and has a number of geographical features that have made it one of the most sought-after tourist destinations in Asia.

A popular tourist destination famous for its tranquil stretches of backwaters, serene beaches, tropical

greenery, lush hill stations, exotic wildlife, Ayurveda (the ancient Indian system of medicine) and Panchakarma (a rejuvenation therapy in Ayurveda), Kerala was selected by the National Geographic Traveller as one of the 50 destinations of a lifetime and one of the thirteen paradises in the world.

Goa

Goa, a tiny emerald land on the west coast of India, is the 25th State in the Union of States of India. Goa was liberated from the Portuguese rule in 1961, and their influence on its architecture and culture can be found in abundance here.

Renowned for its beaches, places of worship and world heritage architecture, Goa is frequented by large numbers of international and domestic tourists each year.

Other popular packages:
